This form is for members of Spirit Super who wish to transfer their existing death cover, total and permanent disablement or income protection held with another superannuation fund to Spirit Super.

- Your last member statement (within 6 months of it being issued)
 - Letter or email from your current super provider confirming the details listed above
 - A current print-out of your online member account

 - Please answer all the questions accurately and provide additional information wherever requested.
 - The person to be insured must complete this application and initial any changes.
 - As part of your application, you may be required to undergo additional medical tests.

Duty to take reasonable care not to make a misrepresentation - Important information before commencing this application

There is a duty to take reasonable care not to make a misrepresentation when applying for insurance. Before answering the questions in this application form it is important that the person answering the questions carefully reads the 'Duty to take reasonable care not to make a misrepresentation' section on page 4 -5 of this form which explains the duty, the consequences of not complying with the duty, and guidance for answering the questions. If the duty is not complied with, MetLife may be able to avoid or change cover; this means a benefit may not be able to be claimed or the amount we pay may be reduced.

Section 5. Information from the Insurer (MetLife) - The duty to take reasonable care not to make a misrepresentation

When you apply for life insurance, we will ask you a number of questions.

Our questions will be clear and specific. They will be about things such as your health and medical history, occupation, income, lifestyle, pastimes, and other insurance.

The answers given in response to our questions are very important. We use them to decide if we can provide cover to you and, if we can, the terms of the cover and the premium we will charge.

Care must be taken to answer all questions we ask as part of your insurance application honestly and accurately.

Otherwise, you may not be able to rely on your insurance when it's needed the most.

The duty to take reasonable care

When applying for insurance, there is a duty to take reasonable care not to make a misrepresentation.

A misrepresentation could be made if an answer is given that is false, only partially true, or that does not fairly reflect the truth. This means when answering our questions, you should respond fully, honestly and accurately.

The duty to take reasonable care not to make a misrepresentation applies any time you answer our questions as part of an initial application for insurance, an application to extend or make changes to existing insurance, or an application to reinstate insurance.

You are responsible for all answers given, even if someone assists you with your application.

We may later investigate the answers given in your application, including at the time of a claim.

Consequences of not complying with the duty

If there is a failure to comply with the duty to take reasonable care not to make a misrepresentation, it can have serious consequences for your insurance, such as those explained below:

Potential consequences	Additional explanation	Impact on claims
<ul style="list-style-type: none">Your cover being avoided	This means your cover will be treated as if it never existed	Any claim that has been made will not be payable
<ul style="list-style-type: none">The amount of your cover being changed	Your cover level could be reduced	If a claim has been made, a lower benefit may be payable
<ul style="list-style-type: none">The terms of your cover being changed	We could, for example, add an exclusion to your cover meaning claims for certain events will not be payable	If a claim has been made for an event that is now excluded, it will not be payable

If we believe there has been a breach of the duty to take reasonable care not to make a misrepresentation, we will let you know our reasons and the information we rely on and give you an opportunity to provide an explanation.

In determining if there has been a breach of the duty, we will consider all relevant circumstances.

The rights we have if there has been a failure to comply with the duty will depend on factors such as what we would have done had a misrepresentation not been made during your application process and whether or not the misrepresentation was fraudulently made.

If we decide to take some action on your cover, we will advise you of our decision and the process to have this reviewed or make a complaint if you disagree with our decision.

Guidance for answering our questions

When answering our questions, please:

- Think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us before you respond.
- Answer every question that we ask you.
- Do not assume that we will contact your doctor for any medical information.
- Answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it or check with us.
- Review your application carefully. If someone else helped prepare your application (for example, your adviser), please check every answer (and make corrections if needed) before the application is submitted.

Section 5. Information from the Insurer (MetLife) - The duty to take reasonable care not to make a misrepresentation (continued)

Other important information

Your application for cover will be treated as if you are applying for an individual 'consumer insurance contract'. For this reason, the duty to take reasonable care not to make a misrepresentation applies.

Before your cover starts, we may ask about any changes that mean you would now answer our questions differently. As any changes might require further assessment or investigation, it could save time if you let us know about any changes when they happen.

If after the cover starts, you think you may not have met your duty, please contact us immediately and we'll let you know whether it has any impact on the cover.

*It's important that you understand this information and the questions we ask, so if you have any queries please contact the fund on **1800 005 166** Monday to Friday 8am - 7pm AEST/AEDT.*

Section 9. Declaration

- I will cancel my existing insurance cover described in Section 3 within 60 days after acceptance in writing by MetLife.
- I will not be transferring the existing insurance cover described in Section 3 to another life insurance policy.
- I will not reinstate my insurance cover described in Section 3.
- Should it become apparent to MetLife that I have not undertaken the requirements that I have agreed to above, then the cover transferred to my Spirit Super account may be treated as not having started.
- I have read and understand the Duty to take reasonable care on page 4 - 5 and understand that this duty applies any time I answer MetLife's questions as part of an application for insurance.
- My answers to the questions are true, complete and accurate, and I have not deliberately withheld any information relevant to this application.
- I agree to be bound by the terms and conditions set out in the MetLife Group Insurance Policy.
- I have read and understood the Privacy Disclosure Statement entitled 'Privacy - Use and Disclosure of personal information'. I consent to the collection, use and disclosure of my personal (including sensitive) information in accordance with these terms.
- I understand that cover under a policy does not begin until acceptance by the Insurer, of which I will be notified in writing.
- I acknowledge that if MetLife accepts the transfer of my existing insurance cover, it is doing so on the basis that I complied with the duty of disclosure or the duty to take reasonable care not to make a misrepresentation (as applicable) when I applied for my existing cover.
- I understand that the transferred cover may be treated as having not commenced with MetLife if I did not comply with the duty of disclosure or duty to take reasonable care not to make a misrepresentation (as applicable) when applying for the existing cover.
- I have read and understood the Spirit Super Member Guide and Spirit Super Insurance guide.

Election

- I understand that if my Spirit Super account has not received any contributions or other amounts for a continuous period of 16 months (**inactive**), superannuation legislation will prohibit Spirit Super from providing me with insurance cover unless I make an appropriate election (**election**).
- I understand Spirit Super will not be permitted to provide insurance cover, if my superannuation account has not had a minimum balance of at least \$6,000 (**low balance**) and/or I am under 25 years of age, unless I make an appropriate election (**election**).
- I direct Spirit Super to accept this application as an election to be provided with insurance cover even if my account is inactive, has a low balance or I am under 25 years of age.
- I understand this election will apply to all insurance cover through my account, including any cover for death, total and permanent disablement and income protection that I already hold in my account and that I am applying for by this application.
- I understand this election will continue to apply to my insurance cover, unless and until it is withdrawn by me in writing. I understand that I can withdraw my election at any time.
- I also understand that I can, at any future time, decrease or cancel my insurance cover by contacting Spirit Super.
